Set up Alexa With Amazon Account Sign-In

Connection of your Amazon account to Alexa on your Lively Flip allows for personalized answers to questions like “Alexa, what is the weather forecast?” or “Alexa, what is the current time?” based on the location registered in your Amazon account.

1. From the **Main Menu** screen, press the **Down** arrow until “Amazon Alexa” is highlighted. Press **Ok**.

2. On the **Welcome to Alexa** screen, press the **Down** arrow to highlight “Set Up Alexa.” Press **Ok**.

3. The **Set Up Alexa** screen displays with “Sign In to Amazon” highlighted. Press **Ok**.

4. The **Connecting to Alexa**… transition screen displays.

5. The **Sign In to Amazon** screen displays with the code you will enter on a computer or tablet to connect your Amazon account to Alexa on your Lively Flip.

6. From your computer/tablet, go to [www.amazon.com/us/code](http://www.amazon.com/us/code) and sign into your Amazon account. If you do not have an Amazon account, you will need to create one.

The Let’s Test Alexa screen displays again. Press the Down arrow to highlight “Skip to Using Alexa.” Press Ok.

16

The Using Alexa screen displays. Press the Down arrow to highlight either “Just Ask Alexa” or “Use from Menu.” Press Ok.

17

NOTE: The “Just Ask Alexa” setting allows you to ask Alexa questions after simply flipping open the phone. The “Use from Menu” setting adds additional steps of pressing the Down arrow to highlight “Amazon Alexa” on the Main Menu and pressing Ok before you can ask Alexa questions.

The Alexa successfully set up! screen displays. The clock icon will display next to “Close.” If you do not press Ok in 5 seconds, the screen will close automatically.
If you selected the “Just Ask Alexa” setting, the Main Menu screen will display “Ask Alexa” in the list in place of “Amazon Alexa.”

If you selected the “Use From Menu” setting, the Main Menu screen will still display “Amazon Alexa” in the list.

If you'd like to use your voice to call, text and ask questions about your Lively Flip and GreatCall account, you will need to also set up the Lively skill.
