*Monthly fees do not include government taxes or assessment surcharges and are subject to change. Health and safety services not included in Talk and Text Plans. All GreatCall plans and services require the purchase of a GreatCall device and a one-time setup fee of $35. Coverage is not available everywhere. 5Star or 9-1-1 calls can only be made when cellular service is available. 5Star Service will be able to track an approximate location when your device is turned on, but we cannot guarantee an exact location. Urgent Care, provided by FONEMED®, is not a substitute for dialing 9-1-1 and should not be used in a case of emergency. GreatCall is not a healthcare provider. Seek the advice of your physician if you have any questions about medical treatment. FONEMED’s registered nurses and contracted physicians through MDLIVE (the “Providers”) offer advice regarding healthcare decisions, may prescribe certain medications and make diagnoses. We are not liable for any act or omission, including negligence, of any FONEMED employee or contractor. Handset replacement eligibility begins at 60 days from program enrollment date. Limit one replacement per 12 month period. $25 replacement processing fee applies for Jitterbug Flip. There are no additional fees to call GreatCall’s U.S.-based customer service. However, for calls to a GreatCall Operator in which a service is completed, you will be charged $0.99/call, and plan minutes will be deducted equal to the length of the call. The $0.99/call Personal Operator fee is waived with Ultimate Health & Safety Packages. Overage fees of $0.35/minute and $0.10/text apply to talk and text in excess of monthly plan allowance. Monthly minutes carry over and are available for 60 days. When calling from the domestic U.S. to other countries, additional international calling rates will apply. Bonus minutes are not shared and will be available for use on your next bill cycle and expire at the end of that cycle.
